"We're the facilitators - bringing together good design, craftsmanship, and technology. We believe that great furniture transforms a space into something truly special. With a focus on quality, design, and sustainability, we create timeless pieces that elevate your home or office.

Our team of skilled artisans combines traditional craftsmanship with modern innovation, ensuring each piece is not only functional but also a work of art. With decades of experience in bespoke interiors and furniture, having worked with prestigious architectural firms, we offer diverse sourcing and design capabilities.

Explore our teak wood furniture and artifacts, where rattan, jute, and seagrass come together in perfect harmony of textures, colors, and finishes."

Care & Maintenance

Wooden Parts

- Dust regularly | Use a soft cloth to prevent dust buildup.
- Avoid direct sunlight | Direct sunlight can cause fading or discoloration.
- Use polish | Apply a wood polish specifically designed for your furniture's wood type.
- Avoid harsh chemicals | Never use abrasive cleaners or chemicals.

Rattan Parts

- Dust regularly | Use a soft-bristled brush or a damp cloth.
- Avoid moisture | Keep rattan away from excessive humidity or water.
- Use a dry cloth | For tougher stains, use a mild soap solution and dry thoroughly.
- Apply rattan oil | Periodically apply rattan oil to maintain flexibility.

Fabric Parts

- Vacuum regularly | Use a gentle suction setting.
- Spot clean stains | Use a mild detergent and cold water.
- Avoid direct sunlight | Fading or discoloration can occur.
- Professional cleaning | For tough stains or delicate fabrics, consider professional cleaning.

General Tips

- Avoid extreme temperatures | Keep furniture away from heaters or air conditioning vents.
- Use coasters and placemats | Protect surfaces from water marks and spills.
- Rotate cushions | Ensure even wear and tear.
